

List of Studies

Adjuvant Studies, Corn or Soybean

Water Conditioning Efficacy with Loaded Glyphosate Products - United Suppliers.	1
Water Conditioning Efficacy with Unloaded Glyphosate - United Suppliers.	8
Water Conditioning Agents - Agrilience.	12
Glyphosate NIS Study.	16
Adjuvant Evaluation for Select plus Glyphosate Combinations.	19
Growmark AMS Replacement Study.	21
AMS Replacement Study - Precision Labs.	24
AMS Replacement Study for Option.	29
Replace Adjuvant Study in Corn.	31
Oil Adjuvant Comparison with Option.	34
Liberty Adjuvant Study in Corn.	36
Liberty AMS Replacement study - Duke WCA.	39

No-till Corn Weed Control Studies

Winter Annual Weed Control in Roundup Ready Corn.	42
Aim Burndown in No-Till Corn.	51
Gramoxone Inteon No-Till Corn Burndown.	54
Rimsulfuron and Thifensulfuron in No-Till Corn.	58
Valor Plus Atrazine in No-Till Corn.	69
Valor Plus Chloroacetamides in No-Till Corn.	74
Influence of Application Timing for Star-of-Bethlehem Control.	79
Influence of Application Timing for Star-of-Bethlehem Control.	82

No-till Soybean Weed Control Studies

No-Till Soybean Weed Control.	85
Gramoxone Inteon in No-Till Soybean.	90
Sequence in No-Till Soybean.	102
Chlorimuron Ethyl Preplant Applications in No-Till Soybean.	109
Burndown Timing for Winter Annual Grasses.	116
Long-Term Tillage by Herbicide Study in a Transgenic Corn and Soybean Rotation.	122

Corn, Tilled Weed Control Studies

Weed Management for Conventional Corn.....	132
Bayer Corn Herbicide Programs.....	139
Acetochlor Plus Atrazine Mixtures with Mesotrione.....	143
Acetochlor Plus Atrazine Mixtures with Isoxaflutole.....	147
MANA Acetochlor Evaluation.....	151
MANA Acetochlor Plus Atrazine Premix.....	153
Evaluation of Soil Herbicides in Roundup Ready II Corn.....	156
Lexar Comparisons in Corn.....	160
Radius Comparisons in Corn - 1.....	168
Radius Comparisons in Corn - 2.....	171
Parallel Plus Ratio and Rate Comparisons.....	174
Impact Corn Herbicide Evaluation.....	177
Liberty Plus Callisto Tank Mixtures.....	181
Postemergence Application Timing in Glyphosate-Resistant Corn.....	184
Comparison of Application Timings of Mesotrione and Glyphosate Based Products.....	188
Weed Management in Glyphosate-Resistant Corn.....	195
Late-Season Vine Control in Corn.....	207
Control of PPO-Resistant Waterhemp in a Soybean/Corn Rotation.....	209
Corn Response to Different Postemergence Herbicides.....	214
The Effect of Cumulative Stresses on Corn Yield.....	216

Soybean, Tilled Weed Control Studies

General Herbicide Evaluation in Soybean.....	221
KIH-485 Evaluation in Soybean.....	228
Valor and Gangster in Roundup Ready Soybean.....	231
Impact of Glyphosate Failure on Soybean.....	234
Glyphosate tank-mixtures with micro-nutrients.....	239
Evaluation of Roundup Ready Soybean Tolerance to Formulations of Glyphosate.....	242
Harmony GT plus Classic Tank Mixtures with Glyphosate.....	244
Control of Volunteer Roundup Ready Corn with V-10137 and V-10139.....	248
Control of Large Volunteer Corn.....	250
Control of Small Volunteer Corn.....	252
Soybean Variety by Weed Management Study.....	254
The Effect of Variety, Planting Date, and Weed Height on Weed Control and.....	275
Grain Yield of Roundup Ready Soybean.....	275
A14972A Evaluation on PPO-Resistant Waterhemp - Study 1.....	289
A14972A Evaluation on PPO-Resistant Waterhemp - Study 2.....	292

Pasture

Cimarron Max Evaluation in Pasture.....	294
Broadleaf Weed Control in Pastures.....	297

Grain Sorghum

Herbicide Evaluations in Sorghum.	300
--	-----

Application Factors for Glyphosate and Waterhemp

GPA and MPH Factorial - 1.	303
GPA and MPH Factorial - 2.	310
Application Factors and Time of Day - 1.	317
Application Factors and Time of Day - 2.	322

Fall Applied Herbicides

Fall Applied Comparison in Soybean - General.	327
Fall Applied Programs for Soybeans - Syngenta.....	332
Fall Applied Soybean Trial.....	339
Fall Herbicide Comparison in Corn - DuPont.	349
Fall Herbicide Comparison in Corn - Syngenta.....	353
Fall Applications of Canopy EX and Rimsulfuron.	357
Influence of Winter Annual Weeds on Giant Ragweed Emergence.	361
Influence of Winter Annual Weeds on Common Waterhemp Emergence.....	366
Benefits of Fall Applications of Valor.	373

Wheat

Winter Annual Grass Control in No-Till Wheat.	383
Headline and Apogee in Wheat.....	385
Wheat Fungicide Screen with Transfusion.	388
Intensive Wheat Management Study - Carbondale.....	390
Wheat Variety by Fungicide Trial	399

Corn or Soybean Fungicide Studies

Headline Evaluation in Corn.	414
Soybean Variety by Fungicide Study.	416
Headline Rate and Timing Study in Soybean.	421
Interaction of Soybean Fungicides and Insecticides with Glyphosate.	423
Headline Application Technologies Study in Soybean.	430
General Fungicide Evaluation.	435
Cheminova Asian Soybean Rust Study - 1.	442
Cheminova Asian Soybean Rust Study - 2.	446
Bayer Fungicides Evaluations in Soybean.	449
Interaction of Soybean Fungicides with Raptor and Flexstar.	452
General Adjuvant by Nozzle Evaluation for Fungicides on Soybean.	455
Agrilience Adjuvants for Foliar Fungicides in Soybean.	460
North Central Frogeye Project.	462
North Central Frogeye Project at Tamms.	467

Horticultural Crops

Zucchini No-Till Weed Management Study.	471
Sinbar and Sinbar Plus Diuron in Fruit Trees.	475
Cover Crops for Weed Management in Grapes.	485
Rimsulfuron in Grapes.	488

Indexes

Index of Weeds by Common Name	498
Index of Weeds by Five-Letter Code	500
Index of Herbicides (and other pesticides).	502
Index of Adjuvants	507
Index of other Experimental Details	509
Index of Crops	511
Index of Project Codes	513
Index of Project Codes	513
Index of Protocols.	516
